Curriculum Check-In

This checklist can be used to reflect on your classroom practices using Vizzle and by administration to guide observations over the school year.

Lesson Planning

- ☐ Utilizes unit guide to indicate standards-alignment and core content for planning.
- ☐ Accesses lesson plans to highlight vocabulary, activities, and leveled learning objectives for instruction.
- ☐ Identify ways to ask for support (Help Link, Live Chat, Vizzle Contact).
- ☐ Printed lessons or extension activities for offline experiences and UDL best practices.
- ☐ Demonstrates rich, rigorous instruction with interactive lesson during group instruction related to weekly topic.
- ☐ Circle Academic Focus - ELA - MATH - SCIENCE - SOCIAL STUDIES - OTHER.
- ☐ Circle Skills Suite - SOCIAL SKILLS - LIFE SKILLS- TRANSITION/VOCATIONAL SKILLS.

Student Engagement

- ☐ Students have correct level of instruction to support core subjects/student goals.
- ☐ All students have access to rigorous content at their independent instructional level.
- ☐ Student accounts are customized for interest, age, and accessibility needs.
- ☐ Students demonstrate active engagement with online and/or offline activities.
- ☐ Teacher reports student has logged in at home to increase family engagement.

Instructional Settings

- ☐ Implemented during large group instruction.
- ☐ Implemented during small group instruction.
- ☐ Implemented during independent work time.
- ☐ Implemented during 1:1 intervention time, as needed.

Student Reporting

- ☐ View report by instructional topic (automatic curriculum tracking card).
- ☐ View report by custom data tracking card (goal/objective, where applicable).
- ☐ Share report for Progress report, IPR, and/or IEP.
- ☐ View group report to monitor overall weekly student performance.
