Multi-Tiered System of Supports Training Suite

RethinkEd's MTSS Training Suite is the most comprehensive and scalable training solution designed to foster the success of every student and every educator. Rethink's MTSS Training provides professional development to help educators meet the Academic, Behavioral, and Wellness Skills needs of the whole child, and promote a positive school culture and climate.

Discover RethinkEd's MTSS:

- 48 modules of on-demand training
- Engaging videos and interactive modules
- Activities for self-reflection and group learning
- Resources to support successful implementation
- Topics covered include Key Components of MTSS, Tier 1, 2, and 3 Strategies for Instruction, Progress Monitoring and Intervention, Effective Classroom Management, and Family and Caregiver Engagement

Each module includes:

- Core content knowledge delivered in a 5-7 min video or interactive module
- Embedded checks for understanding
- Self-reflection questions and activities for Professional Learning Community (PLC)
- Research-based strategies and best practices
- Online and printable materials
- Fidelity checks and troubleshooting tips
- Resources to support more in-depth understanding of the topic

Research has shown that schools utilizing the MTSS framework have fewer discipline referrals, suspensions, and expulsions and show higher academic achievement scores.

RethinkEd's MTSS Training Topics

Components of MTSS

including understanding and implementing the MTSS framework, establishing a collaborative MTSS team, and making data-driven decisions.

Effective Coaching

including building relationships with trainees, observation, and assessment, providing feedback, and developing action plans.

Positive School Climate

including creating safe and caring classrooms, building relationships with students, and supporting the well-being of all staff.

Fundamentals of Effective Classrooms

including classroom management systems, Universal Design for Learning (UDL), increasing student motivation and managing challenging behaviors.

Tiered Strategies and Interventions

including Tiers 1, 2, and 3 instruction, progress monitoring, and intervention supports to meet the academic, wellness, and behavior needs of all students

Parent and Family Engagement

including building positive relationships with students' families, effective communication and collaborating on student goals and intervention.
