

Social and Emotional Learning: Transform Your School's Culture with Rethink Ed!

Rethink Ed SEL is developed around the CASEL 5 competencies and is comprised of:

- A Focus on Adult Learners – Schools, Families, Communities
 - 30 on demand video based modules to support adults well-being
 - Home connections activities and letters for every lesson
 - Administrator tool kits and Facilitator Guides
- Multi-tiered Instruction with built-in flexibility fits every school day
 - 120 lessons for General Education and an additional 120 lessons for Special Education
- Embedded assessment informs instruction and provides the “now what”
- Data tracking and behavior management tools
